## EXPERIENCE

### CODSOFT INTERNSHIP

#### Responsive Web Design

I completed an internship program in 2024 with CodSoft to acquire a certification in Responsive Web Design.

### PROJECTS

#### Backend MongoDB, Mongoose, etc.

I have experience in creating complex backend supported website using MongoDB, SocketIO, etc. for real time responses.

### LUMOS AND FREECODECAMP CERTIFICATIONS

#### Responsive Webdesign

I have also acquired certifications in programs like FreeCodeCamp and Lumos Learning and increased my understanding regarding functionalities of websites.
